The Sunday Drive

Pick one	What color would you pick for the car?
Imagine	What does a country road sound and smell like?
Tell me	Tell me about a drive you loved. Where were you going?
Teach me	What do you need to know to drive a car like this one?
Feelings	Who was the best person to ride with, and why?
Pass it on	If you could drive anywhere today, where would you go?

Color together: one of you takes the car, the other takes the barn. Meet in the middle at the fence.

Set the mood: put on some 1950s music while you color.
